

CHECK  MARK

Canadian Payroll

Windows and Macintosh

Easy-to-Use!

From T4s and Relevé 1s to vacation calculations, CheckMark Payroll keeps you on track, in compliance, and stress-free no matter what type of business you run. Use it as a stand-alone program, or post results to your accounting software.

Technical Support!

Most users report, "It's easy to use and sets up quickly." New users get free Technical Support for 60 days after the sale. Registration is required. Additional support is available.

Call Accountek at 888-678-5856
